Greetings!

**Welcome to RSVP (ReggaeSpiritualityVideoProductions) +More!
ROKU TV Channel**

Get ready to embark on an incredible journey with us on our brand new platform! We're starting from scratch and we want you to be a part of our exciting adventure right from the beginning. The possibilities are endless, and as our community grows, we'll reach even greater heights together.

We're thrilled to kick things off on ROKU, the most accessible platform available to most people around the world. If you have a ROKU TV or stick, you can easily access and share a link to all the amazing content we have in store for you. Don't worry if you don't have ROKU, we've got you covered with a One Page website that will take you straight to our channel.

Imagine having a dedicated space where you can find everything you love, from live music and captivating videos to engaging classes, thrilling fashion shows, inspiring interviews, and so much more. Our channel will be streaming 24/7, ensuring you never miss a beat.

To get you set up and onboarded to the channel, we'll charge a small fee. We want to avoid overcrowding the dashboard, so we'll handle the initial setup ourselves. Create a personal logo that stands out and directs people to your content within each category. We'll provide you with a list of categories to choose from, and if needed, we can create a new category just for you.

But that's not all! We've also got an exclusive live stream dedicated to the channel. If you've ever dreamt of hosting your own live music shows, teaching classes, or even setting up a marketplace to sell your creations, this is your chance to shine. And if you need your own personal live stream, we've got options for you too.

We're all about diversity, and we're eager to bring you a variety of captivating content. Get ready to indulge in mesmerizing music videos, thrilling reality shows, mouthwatering cooking shows, enlightening interviews, fascinating documentaries, live marketplace experiences, uplifting spiritual lessons, breathtaking art galleries, exhilarating dance performances, engaging kids' content, and even awe-inspiring travel adventures.

To make it even better, we're offering a special monthly fee of just \$25 for the first 30 people to join us. After that, the regular monthly cost is \$50, which you can even split into two payments if needed. And there's a one-time onboarding fee of \$40 to get you all set up. We believe in keeping costs low, so that everyone can enjoy this stress-free experience together.
